<sup>1</sup> Grant allocations for these programs were announced as part of the Notice of Funding Opportunity released on March 25, 2015. Further, the awarding of individual FY 2015 EMPG awards began in May 2015 and will continue on an ongoing basis until all funds are awarded.

## **FY 2015 Homeland Security Grant Program**

The Fiscal Year (FY) 2015 Homeland Security Grant Program (HSGP) is comprised of three related grant programs: State Homeland Security Program (SHSP), Urban Area Security Initiative (UASI), and Operation Stonegarden (OPSG). The intent of the FY 2015 HSGP is to provide grant funding to assist state and local governments in obtaining the resources required to support the National Preparedness Goal's associated Mission Areas and Core Capabilities. The following are descriptions of each HSGP component program along with FY 2015 allocations, as applicable:

**FY 2015 Homeland Security Grant Program:  
State Homeland Security Program**

In FY 2015, the State Homeland Security Program (SHSP) provides \$402,000,000 to support the implementation of state homeland security strategies to address identified planning, organization, equipment, training, and exercise needs to prevent, protect against, mitigate, respond to, and recover from acts of terrorism and other catastrophic events. Per section 2006 of the *Homeland Security Act of 2002*, as amended, (6 U.S.C. § 607), FEMA is required to ensure that at least 25 percent (25%) of grant funding appropriated for the Homeland Security Grant Program and Tribal Homeland Security Grant Program are used for law enforcement terrorism prevention activities. FEMA meets this requirement, in part, by requiring all SHSP and UASI recipients to ensure that at least 25 percent (25%) of the combined HSGP funds allocated under SHSP and UASI are dedicated towards law enforcement terrorism prevention activities, as defined in 6 U.S.C. § 607. The LETPA allocation can be from SHSP, UASI or both. The table below specifies allocations under this program:

**FY 2015 Homeland Security Grant Program:  
Urban Area Security Initiative**

In FY 2015, the Urban Area Security Initiative (UASI) program provides \$587,000,000 to address the unique planning, organization, equipment, training, and exercise needs of high-threat, high-density Urban Areas, and assists them in building an enhanced and sustainable capacity to prevent, protect against, mitigate, respond to, and recover from acts of terrorism. Per section 2006 of the *Homeland Security Act of 2002*, as amended, (6 U.S.C. § 607), FEMA is required to ensure that at least 25 percent (25%) of grant funding appropriated for the Homeland Security Grant Program and Tribal Homeland Security Grant Program are used for law enforcement terrorism prevention activities. FEMA meets this requirement, in part, by requiring all SHSP and UASI recipients to ensure that at least 25 percent (25%) of the combined HSGP funds allocated under SHSP and UASI are dedicated towards law enforcement terrorism prevention activities, as defined in 6 U.S.C. § 607. The LETPA allocation can be from SHSP, UASI or both. The table below specifies allocations under this program:

## **FY 2015 Emergency Management Performance Grant Program**

In FY 2015, the Emergency Management Performance Grants (EMPG) Program provides \$350,100,000 to assist state, local, and tribal governments in preparing for all hazards, as authorized by the *Robert T. Stafford Disaster Relief and Emergency Assistance Act, as amended* (42 U.S.C. 5121 et seq.). This total funding amount includes \$100,000 from the Disaster Relief Fund that FEMA must make available to the Federated States of Micronesia and the Republic of the Marshall Islands pursuant to Article X of the *Federal Programs and Services Agreement of the Compact of Free Association Act* (Pub. L. No. 108-188). Title VI of the *Stafford Act* authorizes FEMA to make grants for the purpose of providing a system of emergency preparedness for the protection of life and property in the United States from hazards and to vest responsibility for emergency preparedness jointly in the Federal government and the states and their political subdivisions. The intent of the FY 2015 EMPG Program is to provide grant funding to assist state emergency management agencies in obtaining the resources required to support the National Preparedness Goal's associated Mission Areas and Core Capabilities. The Federal government, through the EMPG Program, provides necessary direction, coordination, guidance, and assistance, as authorized in this title so that a comprehensive emergency preparedness system exists for all hazards. The table below specifies awards under this program:

## FY 2015 Nonprofit Security Grant Program

In FY 2015, the Nonprofit Security Grant Program (NSGP) provides \$13,000,000 in funding support for target hardening and other physical security enhancements and activities to nonprofit organizations that are at high risk of terrorist attack and located within one of the specific UASI-eligible Urban Areas. The intent of the FY 2015 NSGP is to competitively award grant funding to assist non-profit organizations in obtaining the resources required to support the National Preparedness Goal's associated Mission Areas and Core Capabilities. This funding is provided specifically to high-risk nonprofit organizations and the program seeks to integrate nonprofit preparedness activities with broader state and local preparedness efforts. It is also designed to promote coordination and collaboration in emergency preparedness activities among public and private community representatives, as well as state and local government agencies. The table below specifies awards under this program:
